THE MARKET PLACE

The Market Place is a striking new indoor retail arcade that will feature a water wall entrance from Myrtle Road. It will give visitors a place to eat, drink and shop in the heart of East Ham, providing a modern indoor space whilst honouring the history of the Market Hall. The redevelopment, a joint venture between Barratt Homes and Dransfield Properties and Land Management is one of East Ham's most important regeneration schemes. The development has been built on site of the old Market Hall, owned, and operated by Land Management for 90 years, originally built to provide employment opportunities to World War 1 veterans and their families.

The site has now been transformed to provide 277 apartments and duplexes and the Market Place shopping mall. The Market Place will include approximately 21,500 sq.ft. of retail floor space across 15 new units. With two entrances to the scheme, one on Pilgrims Way, close to Primark, and the other on Myrtle Road by Sainsbury's, shoppers will be drawn to this new town centre focal point close to East Ham's busy High Street North.
